Get to Know ...

... Hannah Yukon the Minority Representative and Communications Committee Chair!

- What is your favorite part about being on Student Council

“I love knowing what's happening on campus and what clubs are up to. I also like planning events and helping to run activities.” – Hannah Yukon '14

Hannah is a freshman interested in double majoring in Theatre Arts and Woman and Gender Studies. Hannah was born in New Plymouth, New Zealand, but she was raised in Singapore. In her own words, she is “from a little bit of everywhere.”

Currently, Hannah is focused on trying to paint the stairs of the UC rainbow as a part of raising awareness about LGBTQ issues. She also wants to start an on-campus babysitting service. In her downtime, Hannah likes to cook Indian food, play long games of Monopoly, and play guitar and ukulele. She is also trying to learn how to play the harmonica and melodica.
