Get to Know ...

... Rian Watt, Wright Hall Representative and Candidate for Student Council Treasurer

- What is your favorite part about Student Council?

“I like the fact that we are given real responsibility and that we are allowed to exercise that responsibility with a degree of trust that I had not expected” – Rian Watt '14

Rian is a First Year and a prospective Political Science and Economics double major from Wilmatte, Illinois. Rian is interested in “politics, baseball, and music...in that order.”

Rian was elected Wright Hall representative at the end of last semester but that has not held him back in CUSC. When asked to describe Rian Watt one CUSC member said, “I think the world of Rian. He is a great addition to Council. He is hard-working, determined, and highly organized. His decisive action never fails to solve any problem he is presented with. He is an excellent leader and a good person.” Rian is also a member of Clark Dems and plays violin in a few bands. In his free time, he watches movies with his friends in Wright Hall.
