Get to Know ...

... Lisa Johnson, Current Treasurer and 2011-2012 President

- What is your favorite part about Student Council?

“My favorite part about council is that it allows you to interact directly with students you would not necessarily be able to interact with otherwise. According to be on Student Council, you have to have an intimate knowledge of how Clark functions, and acquiring that knowledge over the past few years has been fun,” – Lisa Johnson '12

Lisa is a Junior and a English major and Management and Communications and Culture double minor from New Hampshire. Lisa is interested in “modern literature, dark comedies, and Moleskine notebooks.” Her favorite color is cerulean, and her favorite food is stuffed artichokes.

Lisa has done a lot of great work this year on council, including working to get the EMS budget separated from the SAF and introducing two new grants. When describing Lisa, one CUSC member said, “I think Lisa is wonderful. She knows how to deal with awkward situations in a way that makes everyone feel like they have accomplished something. She is assertive without being confrontational.” Lisa is a part of Caesura, Stir magazine, and the Spree Day Committee.
